

Component	Manipulator	Mobile Base	Perception	Mobile Manipulator
 PRIMITIVE	General Motion Learned Motion Object Interaction Control Mode Constraint & Compliance	General Motion Learned Motion Adapting Motion Control Mode Perception-Conditioned Motion	Scene and Object Perception Pose Estimation Sensor Operation Other Modalities	Coordinated Contact Motions
 SKILL	Object Manipulation Task-Specific Manipulation Sensing / Control Mode	Navigation Challenging Terrain Control Mode	Target Identification	Environment-perceptive Skills Environment-adaptive Skills Environment-interactive Skills Object Manipulation / Transport
 TASK	Household Activities Object / Tool Handling			Mobile Manipulation Interactive Navigation Manufacturing Tasks Inspection Tasks Human Interaction / Assistance
